

China Southern Airlines

Baggage Rules

(Version 1-2023)

Baggage carried by CSN is classified as checked baggage and un-checked baggage based on the responsibility of transportation.

Baggage refers to the personal articles of passengers carried in the course of itinerary by agreement with CSN including checked baggage and unchecked baggage. Checked baggage refers to the baggage handed over by passenger to be taken care of and transported by a carrier which will issue baggage claim tags. Unchecked baggage refers to the baggage taken care of by the passenger him or herself.

1 Unchecked Baggage

1.1 General Provisions

China Southern Airlines (hereinafter *China Southern*) will inspect passenger's baggage before check-in and boarding. China Southern reserves the right to determine at our discretion whether passenger's baggage needs to be transported as carry-on baggage or checked baggage, taking the safety and comfort of you as well as other passengers into account.

For the safety of passengers and crew members, please put your carry-on baggage in the overhead bin or under the seat in front of you. Passengers seated near emergency exits (including those seated near wing exits and

in the first row) must put their baggage in the overhead bin to ensure that the baggage will not hinder evacuation in case of emergency.

1.2 Limits to Carry-on Baggage

The passengers are required to check all the relevant regulations and information regarding carry-on baggage allowance and items allowed to be carried.

4 Special Baggage

Carriage of special baggage with fragile characteristics or restrictive transportation requirements should follow special rules and must meet the requirements for packaging, quantity, transportation conditions and charging rules before receiving and transporting.

4.1 Transportation Requirement

4.1.1 Sports Equipment

(1) Golf Equipment

Golf equipment may be transported as checked baggage, provided it is packed in a durable protective container and is able to withstand certain pressure. For any golf equipment that is not properly packed, a limited release baggage tag will be attached. Liability for transporting special

items will be subject to the applicable regulations for normal baggage. A set of golf equipment may only consist of one bag (with a set of golf clubs, golf balls and tees) and one pair of golf shoes.

(2) Ski equipment

Ski equipment may be transported as checked baggage, provided it is packed in a durable protective container and is able to withstand certain pressure. For any ski equipment that is not properly packed, a limited release baggage tag will be attached. Liability for transporting special items will be subject to the applicable regulations for normal baggage. A set of ski equipment may only consist of one pair of skis, one pair of ski poles and one pair of ski boots.

(3) Fishing Gear

Fishing gear may be transported as checked baggage, provided it is packed in a durable protective container and is able to withstand certain pressure. For any fishing equipment that is not properly packed, a limited release baggage tag will be attached. Liability for transporting special items will be subject to the applicable regulations for normal baggage. A set of fishing gear may only consist one fishing tackle box, one reel, one pair of fishing boots, two rods, and one landing net.

(4) Bicycle

Only non-electric bicycles are allowed to be transported and the tyres must be deflated. For non-foldable bicycles, the handlebars should be rotated 90 degrees and fixed, the pedals removed, the wheels removed

and firmly tied to the body of the bike.

(5) Diving Equipment

A set of diving equipment may only consist of goggles, snorkel, dive boots, wetsuit, compass, airbag inflator, flippers and other diving related accessories. If you carry diving gas cartridges, the gas cartridges must be carbon dioxide or other gases of no secondary risk, with no more than 2 small gas cartridges per set of diving equipment, and no more than 2 spare gas cartridges. It shall not contain dangerous goods that are prohibited or restricted for transport, such as diving lamps that generate heat. Transporting oxygen equipment or other dangerous goods shall comply with the relevant regulations for the transport of lithium batteries and dangerous goods stipulated by China Southern. Diving equipment shall be packed in a durable protective container and is able to withstand a certain pressure. For any diving equipment that is not properly packed, a limited release baggage tag will be attached.

(6) Surfboards equipment

Sports equipment for surfing. The fins should be removed, or if this is not possible, they should be securely wrapped in polystyrene foam. Both the nose and tail should be bubble-wrapped or protected with neoprene foam. Handrails (both sides of the board) should have cardboard attached to absorb impact. The board should also be packed in a suitable padded surf bag and is able to withstand certain pressure. For any surfboard that is not properly packed, a limited release baggage tag will be attached.

(7) Windsurfing Boards

Modified surfboard with movable mast. Sails can be removed and folded. Make sure that they are packed properly and placed in a hard-shell case; otherwise, a disclaimer needs to be provided. The equipment should be packed in a durable protective container and is able to withstand a certain pressure. For any windsurfing board that is not properly packed, a limited release baggage tag will be attached.

(8) Archery equipment

Bows and arrows must be packed in a durable protective container. For any archery equipment that is not properly packed, a limited release baggage tag will be attached.

(9) Bowling equipment

Bowling balls equipment may be transported as checked baggage, provided it is packed in a durable protective container and is able to withstand a certain pressure. For any bowling balls equipment that is not properly packed, a limited release baggage tag will be attached. A set of bowling equipment including a maximum of 3 bowling balls, a bowling bag, a pair of bowling shoes. Bowling machine cleaners containing a large amount of acetone or alcohol with a capacity of more than 70% are considered dangerous goods and cannot be transported as baggage.

(10) Field hockey equipment

Hockey sticks or lacrosse sticks must be packed in a durable protective container. For any field hockey equipment that is not properly packed, a

limited release baggage tag will be attached.

(11) Hockey equipment

Hockey equipment must be packed in a durable protective container. For any hockey equipment that is not properly packed, a limited release baggage tag will be attached.

(12) Inflatable balls

The internal pressure of water polo, basketball, volleyball, rugby, soccer, or other inflatable ball should not exceed the rated pressure in air transportation. The air filled in the ball should be released if necessary.

(13) Shooting apparatus

Shooting apparatus refers to the gun of sporting goods, not the firearms used by the public security organs when escorting criminal suspects. The firearm must be unloaded, if the conditions permit, the firearm needs to be disassembled and packed in a suitcase or standard gun case. Ammunition must be safely stored in a strong sealed box, and then put into the baggage, and the sealed box must be surrounded by other padding stuffed solid.

5.3 Liability for loss and damage

5.3.1 Acceptance for carriage of small animals (include service dogs) is subject to the conditions that the passenger assumes full responsibility for such animal unless due to CSN's faults. CSN shall not be liable for injury to or loss, delay, sickness or death of such animal in the event that it is refused entry into or passage through any country, state or territory.

5.3.2 The passenger is fully liable for all damages or injuries which an animal might cause to other passengers or crew members.

5.3.3 CSN will have no liability in respect of any such animal not having all the necessary exit, entry, health and other documents with respect to the animal's entry into or passage through any country, state or territory.

6 Declared Value for Baggage

Declared value for baggage is not provided by CSN.

7 Delivery of Checked Baggage

7.1 Passenger(s) shall collect their baggage as soon as it is available for

collection at places of destination (or stopover).

7.2 With CSN's consent, passenger(s) can collect their baggage at a stopover under the agreement of CSN; however, the unused payment of the excess baggage will not be refunded.

7.3 If passenger(s) do not collect their baggage in time, CSN will levy a fee for baggage storage. CSN reserves the right to manage with perishable items within passenger(s) baggage during the first 24 hours after the arrival of the baggage.

7.4 CSN is under no obligation to ascertain that the bearer of the baggage identification tag is entitled to delivery of the baggage and CSN is not liable for any loss, damage, or expense arising out of or in connection with such delivery.

7.5 If a passenger claims the baggage without providing baggage identification tag(s), CSN will deliver the baggage to this passenger only on condition that he/she provides a certificate approved by CSN and, if required by CSN, this passenger shall furnish adequate security to indemnify CSN for any loss, damage or expense which may be incurred by CSN as a result of such delivery.

7.6 Acceptance of baggage by the bearer of the baggage check, without complaint at the time of delivery, is prima facie evidence that the baggage has been delivered in good condition and in accordance with the contract of carriage.

7.7 If baggage is not collected starting 90 days from the next day of

baggage's arrival, CSN has the right to process it according to the regulations on un-delivered baggage.

8 Processing of Irregular Carriage of Baggage

8.1 In the event of delay, loss or damage in the carriage of baggage, CSN and CSN's authorized ground handling agents, along with the passenger, should fill up a Record Form of Accidents of Baggage Carriage, check out the situation and reasons, and report the results of investigation to passenger and departments concerned. If compensation for baggage happens, it can be processed at the journey's stopover or destination.

8.2 If the checked baggage fails to arrive in the same flight with the passenger(s) due to CSN reasons and thereby causing an inconvenience for the passenger(s), CSN will provide a one-off compensation for temporary living necessities at a minimum of 200CNY for domestic flights and 500CNY or the equivalent value in currency for international and regional flights, based on the passenger's membership tiers and classes of service. If laws and regulations stipulate otherwise, they will be enforced in accordance with the corresponding laws and regulations.
